

## **MOON CYCLE**

The New Moon is in Gemini on June 13th. The New Moon is a great time for setting intentions, especially around Gemini themes of thinking, communication, learning and gathering information. Gemini is a curious sign, so don't be afraid to explore something totally new in your intention setting practice. Check out the symbols for this cycle and let your curiosity lead the way.

You may begin to see results as soon as the Full Moon on June 28th, but don't expect your intentions to really bear fruit until the larger 6-month Gemini cycle is completed. This will happen in November, at the Gemini Full Moon.
